Performance represents past performance; current returns may be lower or higher. Past performance does not guarantee future results. The investment return and principal value will fluctuate so that an investor's shares, when redeemed may be worth more or less than the original cost. All returns reflect reinvested dividends and capital gains distributions, but do not reflect the deduction of taxes that an investor would pay on distributions or redemptions. To obtain performance through the most recent month end, call 1-844-383-7289.
