IMPORTANT INFORMATION ACTION REQUIRED

Dear Investor,
ABRDN EUROPE EX UK SMALLER COMPANIES FUND CLOSURE NOTIFICATION

What is happening?

We are writing to notify you of our decision to close the **abrdn Europe Ex UK Smaller Companies Fund** (the "Fund") on **19 March 2026** (the "Closure Date").

The Fund has experienced outflows and a gradual decline in its net asset value to the current level of approximately £20 million as at **26 November 2025**. At this size, and in the absence of realistic opportunities for future growth, the Fund is no longer considered to be commercially viable. Small funds face a number of operating difficulties as they are unable to benefit from economies of scale. This may lead to problems in buying and selling assets at a reasonable price, which in turn may lead to compromised investment performance and proportionally higher costs, to the detriment of shareholder value.

Following consideration of the available options, we believe it is in the best interest of all shareholders to close the Fund, liquidate all of the underlying assets and return the proceeds to investors.

A timeline of events leading to the Fund's closure and a list of share classes are shown in Appendix One.

Impact on investors – action required

As an investor you have the options listed below, prior to the Closure Date.

Option A

You may redeem your holdings in the Fund (free of redemption charges) and you will receive your redemption proceeds within the usual timescales outlined in the Fund's prospectus, or switch into another fund (free from conversion charges) within our UK fund range prior to noon on **4 March 2026**. More information regarding our UK range of funds can be found on our website www.aberdeeninvestments.com or alternatively contact your advisor or usual Aberdeen relationship manager. Please ensure you carefully read the Key Investor Information Document ("KIID") which includes the investment objectives and policies and fees applicable.

Option B

If you wish to remain invested in the Fund until the Closure Date no action is required from you. Redemption proceeds will be issued to you three business days after the Closure Date. If we hold validated bank details on file, we will pay you electronically. Otherwise, we will issue a cheque.

280 Bishopsgate, London EC2M 4AG
T +44 (0)20 7463 6000 F +44 (0)20 7463 6001

Please note that as the Fund is in the process of preparing to close, we will no longer accept any instructions to purchase additional shares in the Fund or any redemption instructions for the Fund from noon on **4 March 2026**.

Liquidation of portfolio

The manager of the Fund will maintain the portfolio in line with its existing investment objective until **5 March 2026**, when the process of liquidating the Fund's assets will begin. This will mean that all or part of the portfolio will be invested in Sterling money market instruments, and cash, from **5 March 2026** until the Closure Date.

Expenses

We have agreed to meet the expenses of the closure of the Fund, including expenses of the auditors and other professional advisers. The only exception will be any transaction costs involved in liquidating the assets of the Fund. Therefore, from the date of this letter, the redemption or switch price will reflect anticipated transaction costs. The transaction costs are estimated to be around 0.12% (i.e. a cost of £12 for every £10,000 held) of the net asset value which includes dealing spreads, commissions and taxes and duties arising on the sale of the assets. In practice, these costs will be dependent on market conditions and the portfolio at the time of the liquidation and may be higher or lower.

Fund Termination

Once the Fund is closed on the Closure Date, if there is any cash remaining within the Fund prior to completing the final termination of the Fund, we will use this to meet any termination expenses (including custody fees). Should there be cash remaining after meeting the termination expenses then further payment(s) will be made on a pro rata basis to all the shareholders who were invested in the Fund on the date of this letter. As such, please let us know if your address details change on or after the Closure Date at the contact details provided in this letter, If the contact details we hold for you are not up to date at the time such payments (if any) are paid out, we may not be able to pay your proceeds (if any) to you.

Regular Savings

If you regularly contribute to the Fund by direct debit, your last payment will be taken on **1 March 2026**. Unless you provide an instruction to the contrary, if you regularly save into any other funds then your direct debit will be reduced by the monthly amount you currently subscribe into this Fund. The reduced direct debit payment will be effective on **1 April 2026**. Should you switch into another fund within our UK Fund range you will need to submit a new direct debit instruction.
