Terms and Conditions

1. Investment amount (subscription and/or switching in) to each participating fund can be combined and accumulated under the terms and condition herein.
2. Eligible investor shall have investment amount invested during campaign's period will be receiving ABCC's units worth 100 Baht for every 50,000 Baht of the investment amount. However, final premium will be worth at maximum 0.2% of total investment amount.
3. Investor who has ever invested and got promotional premium during IPO period or other promotional campaign, that amount of investment will not be calculated and accumulated for this promotion campaign.

4. The amount of the promotional premium will be calculated in accordance with the net investment amount made to all participating funds remaining at the end of 31 March 2026 (Net investment amount = Subscription and/or switching in of the amount made during the campaign period – Redemption and/or switching out made to the subscription and/or switching in amount made during the campaign period)
5. Switching in made from any RMF of the company will be excluded from the eligible investment amount under this promotional campaign, but switching in made from other funds (which are not RMF) of the company will be included in the eligible investment amount under this promotional campaign.

Example 1 : An Investor switches out from ABG to ABSC-RMF for THB 50,000 during the campaign period. In this case, the investor will be eligible for the promotional ABCC unit.

Example 2 : An Investor switches out from ABLTF to ABAPAC-RMF for THB 50,000 during the campaign period. In this case, the investor will be eligible for the promotional ABCC unit.

Example 3 : An Investor switches out from ABSC-RMF to ABAPAC-RMF for THB 50,000 during the campaign period. In this case, the investor will not be eligible for the promotional ABCC unit.

6. Eligible investment amount under this promotional campaign must be maintained until 31 March 2026. If switching out made from participating funds which have been subscribed and/or switched in during campaign period to other participating funds or other funds of the company, the company reserves the rights to exclude that investment amount although there will be switching in back later during campaign period.
7. Investment transferring from Retirement Mutual Funds (RMF) of other asset management companies are eligible under this promotional campaign with no limit.
8. For investors who invest in more than one account, the Company will consider the total accumulated investment amount by calculating the accumulated net investment amount of all fund accounts. However, if any fund account does not have a subscription or switching into the participating fund within the campaign period, the Company will not aggregate the investment amount such accounts to determine the rights under this campaign. The Company reserves the right to give the unit bonus in account which have highest AUM of participating funds. If there are more than one account which have same AUM of participating funds, the Company reserves the right to give the unit bonus in account which has the latest transaction.
